ADU Galley Kitchen designed and built by Derek Sherrell

THE GALLEY KITCHEN

- - - - The one-wall galley kitchen is really the secret weapon to doing a kitchen in a small space. Not only are we saving money, we're also saving space and it's a really good, clean look.

Here are our choices in appliances and fixtures for the ADU Galley kitchen based on the goals of affordability, low maintenance costs, and creating a comfortable space that will attract and keep great tenants. We get commissions from Amazon.com for purchases made through links in this post.

REFRIGERATOR

 [Magic Chef 10.1 cu. ft. Top Freezer Refrigerator Platinum Steel](#)

GAS RANGE

 [Frigidaire 24 in. Gas Range in Stainless Steel](#)

ELECTRIC RANGE

 [Frigidaire 24 in. Electric Freestanding Range in Stainless Steel](#)

SINK

 [Lordear 25" x 22" Drop In Kitchen Sink, 16-Gauge in Stainless Steel](#)

FAUCET

 [GICASA Stainless Steel Kitchen Sink Faucet](#)

DISHWASHER

 [Frigidaire 24" Built-In Dishwasher in Stainless Steel](#)

MICROWAVE

 [FRIGIDAIRE 1000-Watt Over The Range Microwave](#)

This microwave includes an exhaust fan that vents to the outdoors, thus meeting the local code for building a fully-functional kitchen with built-in range.

INDUCTION COOKTOP

An induction cooktop is a great solution for some garage conversion projects and other house hacking solutions where local code prohibits a full kitchen. We recommend the Anhane portable induction cooktop for its reliability and reasonable price.
