## THE GALLEY KITCHEN

- - - - The one-wall galley kitchen is really the secret weapon to doing a kitchen in a small space. Not only are we saving money, we're also saving space and it's a really good, clean look.

Here are our choices in appliances and fixtures for the ADU Galley kitchen based on the goals of affordability, low maintenance costs, and creating a comfortable space that will attract and keep great tenants. We get commissions from Amazon.com for purchases made through links in this post.

## MICROWAVE

[!\[\]\(870f5d5e9c0d57485634be3ecf52f3ca\_img.jpg\) FRIGIDAIRE 1000-Watt Over The Range Microwave](#)

This microwave includes an exhaust fan that vents to the outdoors, thus meeting the local code for building a fully-functional kitchen with built-in range.

## INDUCTION COOKTOP

An induction cooktop is a great solution for some garage conversion projects and other house hacking solutions where local code prohibits a full kitchen. We recommend the Anhane portable induction cooktop for its reliability and reasonable price.
